Daffodil – Birth Flower for March

## MARCH 2022

Hello again and welcome to the latest edition of your magazine.

At last the world seems to be getting a bit brighter, both with the daylight lasting longer and with our freedom gradually coming back.

There are now more activities going on both here in Stickney and in also in the surrounding areas, hopefully you will find something that you will enjoy doing. There are some ideas in this magazine of activities you can get involved in, please give some of them a try.

We would like to give a warm welcome to anyone who has just moved into the village and we hope you will soon settle in and make some new friends. You will find some important phone numbers, that you may need, on the back cover of this magazine.

If you are moving on to pastures new, we wish you all the best and hope you enjoy your new surroundings.

# **ST LUKE'S CHURCH**

## St Luke's Church

So much is happening at the moment, it feels like we never went away!

This month we see the beginning of Lent with our Ash Wednesday service at 11.00am on 02 March followed by a soup and roll lunch. Everyone is welcome to join us.

On Thursday 10 March at 7.00pm we will be holding the Annual Parochial Church Meeting. The meeting will begin in Church, and then, depending on numbers, we will adjourn to a warmer climate across the road! All are invited to come and hear what the Church has been doing over the past year, and big plans for the future.

With big plans comes an increased need for fundraising, irrespective of the need to catch up post Covid. We will be holding a jumble sale on Saturday 12 March in the Youth Centre at 10.00am. If you have any items we can sell, please either leave them in Church (preferably in the big chest at the back or under the tower) or bring them to the Youth Centre on the day from 9.00am.

We are continuing our Tuesday Bible Studies at 2.00pm every week in St Jude's Church, New Leake, and, of course, we have our regular coffee mornings on Thursdays.

We look forward to seeing you.

### **Jubilee Celebrations**

We are intending to celebrate the Queen's Platinum Jubilee in June with a Big Picnic. There will be games, there will be competitions. There will be ..... whatever YOU want!

We will be holding an open meeting on Wednesday 09 March in the Youth Centre to start finalising the arrangements for the day. Please come along and help us make it a day to remember.

If you want to help, or have any ideas, but can't make that meeting, please email the committee at [revfjeffries@outlook.com](mailto:revfjeffries@outlook.com) so that we will know who wants to be involved.

We look forward to seeing you at the meeting.

## **Gardening Tips for March**

March can be the busiest month of the year, depending on the earlier preparations you have managed to accomplish. Digging on light soil could have been left until now whereas heavy soil dug in the autumn should have been broken down by frosts so that the spring work will be much easier once the ground has dried out sufficiently.

Here then are a few jobs we could be thinking about as we await the arrival of warmer days (and nights).

1] March sowings can suffer as a result of vicious frosts and cold drying winds. However, we can be consoled by the fact that one can usually sow again next month if this happens. In the meantime ground can be covered with cold frames, rows of cloches, which can make all the difference between success and failure. Even a sheet of polythene or spare fleece stretched over a seed bed will shield seeds from a few degrees of frost.

2] Spring sowing of broad beans can supplement the sowings that have been made at the backend of last year. They are perfect for succession sowing and should ensure pickings until mid-summer. Any infestation of blackfly can be hosed off and the vulnerable tops can be pinched out. They may need a light staking to help stop them from flopping.

3] Peppers and chillies should be started off as soon as possible because they need a long growing season in which to grow and ripen fruit. Sow in a heated propagator or in trays on a sunny windowsill.

4] If you are growing broad beans (see above) in double drills at full spacing ie leaving about 2ft between rows, there will be room to station-sow perpetual spinach (leaf beet) between rows towards the end of the month as a follow-on crop to harvest from early summer. Cut the broad beans to ground level when their crop is finished so that the spinach can take over in its turn.

5] In brief, a quick checklist of jobs: (a) Sow early peas. (b) Divide ageing clumps of perennial herbs. (c) Plant up new strawberry beds if not already done. (d) Plant out onion sets and seedlings raised under glass. (e) Plant early potatoes in the second half of the month. (f) Finally, make the first sowings of brassicas in a seedbed.

Finally, from Ogden Nash:-

"Indoors or out, no one relaxes in March.

That month of wind and taxes.

The wind will presently disappear, the taxes last us all year."

## **Message to all local ladies from Stickford & District WI**

We are not sure if the 'villages' grapevine has worked, but are sure the message has got round that a new ladies group is being set up called **Stickford Ladies Circle**, this has been formed from the Stickford & District WI, which will cease at the end of March. All of our members are remaining in the Stickford Ladies Circle - we are a very friendly group of local ladies.

At our meetings we have a wide variety of speakers and it is a great opportunity to get together with friends for a chat over tea and cakes.

Outside of the meetings we sometimes have one or two outings to places of interest, or shopping, and the chance to have lunch or a cream tea, at least one of these meetings will be a day trip to somewhere interesting. We also have a summer garden party and we will celebrate Christmas by dining at a local restaurant.

We would love to meet new ladies who are interested in joining us. We will still be meeting the second Monday of each month at 1:30pm in the Community Centre, Church Road, Stickford.

## **Enjoy Walking?**

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

The Walking in Lincolnshire website has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own, or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Lincolnshire has brought it together in one place, so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles (plus) and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

Check out the websites and get walking! [www.walkinginengland.co.uk/lincs](http://www.walkinginengland.co.uk/lincs)

# Obstructive Parking

You may think that you're being considerate by leaving room for other road users, but this causes an issue for pedestrians/mobility scooter users having to go into the road to pass your vehicle.

**Parking on the pavement and causing an obstruction is punishable by way of a FIXED PENALTY NOTICE.**

**PLEASE PARK CONSIDERATELY**

## **NOTES FROM THE MEETING HELD ON THURSDAY 03 FEBRUARY 2023**

There were eleven members of the public present who came along to discuss:

Issues regarding the burger van at Main Road:

- a. County Cllr Bowkett will ask Parking enforcement to look into the matter of recovery vehicles being parked in the lay-bys all day, every day.
- b. County Cllr Bowkett will ask LCC to consider a 1 hour waiting time for the lay-bys.
- c. The PCSO will ask that the area be patrolled for parked vehicles causing an obstruction on the A16.
- d. The Police are not responsible for parking on the footway until the footway becomes impassable with a parked vehicle causing an obstruction. Photos can be sent to the Police directly or via the Parish Council.
- e. Dist Cllr Ashton will check the situation regarding planning permission to site a burger van in this position, being so near to the secondary school gates.

A planning application for 50 properties, a food store and light industrial units:

- a. The food store needs to be a food store and not changed when detailed plans are presented.
- b. If permission is given can there be a pub or a takeaway in the development?
- c. The appointment situation at the surgery and the numbers of children in school are left for the NHS and LCC to respond to, this is not a comment the Parish Council can use.
- d. Parking at the school will become even more of an issue. Parents can park at the Village Hall Car Park and walk their children to the school.

Questions regarding highway issues:

- a. The 30mph limit towards Spilsby being approved and signs are to be sited.
- b. A survey is to be carried out at the Sibsey end of the village to extend the 30mph limit.
- c. The crossing has been approved and funding is now being sought. This will be sited in the area of the surgery.

**Apologies:** received from Cllrs Bolland and Lawrence and Dist Cllr Jones

**Present:** Cllrs Pritchard, Cooper, Pavey, Sherriff and Edwards (Chairman)

**Also present:** PCSO Teresa Key (for the public forum), County Cllr Bowkett and Dist Cllr Ashton

### **Reports from Representatives in Outside Bodies**

County Cllr Bowkett outlined an email that will be circulated to Councillors.

Dist Cllr Ashton reported:

The charge for green waste bins has risen to £50.00 and will not be increased for the next 4 years. Recycling is being changed nationally, this will see ELDC issuing purple bins, for dry paper and cardboard, to households and allowing glass to be placed in recycling bins, possibly from September 2022. Household waste sites will not be open seven days a week, the current times can be found online. No waste should be left at roadsides if the recycling site is closed, this is fly-tipping. ELDC are setting the precept, half of which normally goes straight to the drainage boards. More may be required by the drainage boards due to having to use white diesel instead of red diesel in the equipment. The increase to Council Tax will be 4.95% for 2022/2023.

## **Declarations of Interest**

Cllrs Sherriff and Edwards declared an interest in Stickney Charities as they are the current representatives for the Parish Council. They have both agreed to do another four-year term on the Stickney Charities representing the Parish Council.

## **Planning Decisions received**

There were no planning decisions for this meeting. Cllr Ashton will look into why the following applications have not been decided: S/169/01887/20 and S/169/01928/21

## **Planning applications received**

OBSERVATIONS were made regarding the following application:

**S/169/02583/21** - Moschatel Limited - Outline erection of a foodhall/shop, 4 industrial units and 50 residential dwellings (with means of access, layout and scale to be considered) at Land at Braybrooks House, Main Road

*This proposed development is on land that is not allocated for development in the Local Plan. The development will alter the character of the village. If permission is granted can the food store remain a food store and not be changed to any other retail outlet? Can a post office be considered in the food store? Is there anywhere bottle banks can be sited in the light industrial area? Parking at both the schools needs to be considered. Is there anywhere on the site a pub or takeaway be opened?*

The Parish Council SUPPORTED the following applications:

**S/169/02653/21** - Mr K Gostelow - Extension and alterations to existing outbuilding to provide a self-contained annexe at Old Rose and Crown, Main Road

**S/169/00084/22** - Mr A Cuzens - Outline erection of 6 dwellings at Hollywood, Main Road

## **Highways**

County Cllr Bowkett will be asked about the 30mph signs for the northern end of the A16 and if a road survey has been carried out at the southern end of the A16 through Stickney.

### **Highway faults and repairs should be reported**

via the

### **'fixmystreet' app on your mobile phone**

Photos can be taken at the time of reporting

Remember to include the street name and village in your report

## **Contract for the grass cutting and maintenance of the cemetery and churchyard**

The Clerk read out three prices and gave details of what each contractor was offering to do.

Following discussion it was resolved to use the contractor, T A Blackamore, who had given details as they had been requested.

## **Play Area**

The inspection of the play area equipment has been booked with Wicksteed.

## **Defibrillator**

The defibrillator has been in need of a new battery and new pads for a few months now. These items have been on order from LIVES for over six months. The Clerk will ask what is happening about the order.

## **Date of next meeting**

The next Parish Council meeting will be held on 03 March 2022 at 7.30pm in the Committee Room of Eastville, Midville & New Leake Village Hall. There will be a Public Forum from 7.15pm.
