Rose and Honeysuckle, birth flowers for June

JUNE 2022

Hello and welcome to our latest magazine.

Hope you are all keeping well and enjoying the better weather. I saw a swallow today which was a very welcome sight. There seems to be less every year.

The Jubilee celebration will be taking place in June, all the details are in this magazine. A thank you to the people who are organising it.

If you are new to the village, we wish you welcome and hope that you will be very happy here. You will find news of what is happening somewhere in the magazine and on the back cover you will find some important phone numbers that you might need.

If you are moving on to a new life, we hope that you will soon make it your home and be happy there.

St Luke's Church

They say a change is as good as a rest – well, with all the changes we are facing as a Church at the moment, we must be very rested!

The major change on the horizon is the retirement of our Team Rector, the Reverend Canon Peter Coates, at the end of June. Following his departure, and in accordance with changes initiated throughout the Diocese, I will be leading the team for our Deanery which extends from Stickney all the way up to South Ormsby. Because of the distances involved, it is likely that I will be moving up to Spilsby within the next few months.

The Church of St Luke will still be here and will still be an active part of our community. For me, this is not 'goodbye', rather 'see you shortly'.

Our services are not likely to change, although some will be led by members of the community, rather than a Priest. We are excited about the future, not worried.

We will be celebrating the Jubilee with our usual Coffee Morning at 10.00am on Thursday 2 June, when we will not only serve tea, coffee and cakes, but also hold a Tabletop sale of New and Nearly New items of Clothing and other goods.

We will also be joining the Big Picnic on Saturday 4 June.

Services during June in the Cluster (all at 11.15am)

05 June St Luke, Stickney (Service of the Word)

12 June St Helen, Stickford (Service of the Word)

19 June St Luke, Stickney (Holy Communion)

26 June St Helen, Stickford (Holy Communion)

Everyone is always welcome to join us.

Gardening Tips for June

June is the month when all the hard work gardeners have put in during the preceding months begins to bear fruit. Already we are picking radishes. The lettuce plants are beginning to heart up, the spinach is ready to be picked and was that a rosy pink tinge I saw on my much cosseted strawberries? Best of all the early sown potatoes have survived the frosts and are being inspected daily for the first signs of flowers.

Here then are a few more jobs to be getting on with which will give us hope of a grand harvest as the summer months pass.

1} We should still be mindful of the need to 'toughen up' some of the indoor raised crops prior to planting out in their permanent place of growth. This class of plant includes tomatoes, courgettes, chillies, peppers and squashes. This should be done in stages, from indoors or unheated greenhouse to well-ventilated cold frames outdoors, gradually increasing ventilation and keeping an eye on the weather forecast.

2} Keep an eye on the strawberry patch and be ready to deal with any runners. You can cut runners off if you don't need any new plants. Alternatively, pin the runners into pots of compost. I use U shaped pieces of garden wire into three-inch pots.

3} Keep weeding any beds that are growing onions and garlic to avoid unwanted competition for nutrients, light and water. In my experience, the weeds always win.

4} Prepare the ground for runner beans, if you have not already done so, by digging in plenty of well rotted manure and building the frame they will need to climb by using bamboo canes.

5} Keep sowing quick growing vegetables such as lettuce, radish spring onions and beetroot. Getting this succession sowing right, seems to me to be the road to success in the garden.

6} You can continue sowing carrots right through to the end of June. Grow under an insect-proof mesh to control carrot root fly. Alternatively sow root-fly resistant varieties such as Flyaway F1 or Resistafly F1.

Finally, a cautionary note (author unknown);

*Zucchiniis terrific
Like bunnies, prolific!*

Kiddies Corner

Coronation Chicken Sandwich - devised for the Queen's Coronation in 1953 this dish of cold chicken, curry powder and mayonnaise is a must for sandwiches at a Platinum Jubilee Picnic,

Ingredients

- 6 tbsp mayonnaise
- 2-3 tsp mild curry powder, to taste
- ½ tsp ground cinnamon
- 2 tbsp mango chutney
- 1-3 tbsp sultanas, or to taste
- 500g shredded cooked chicken

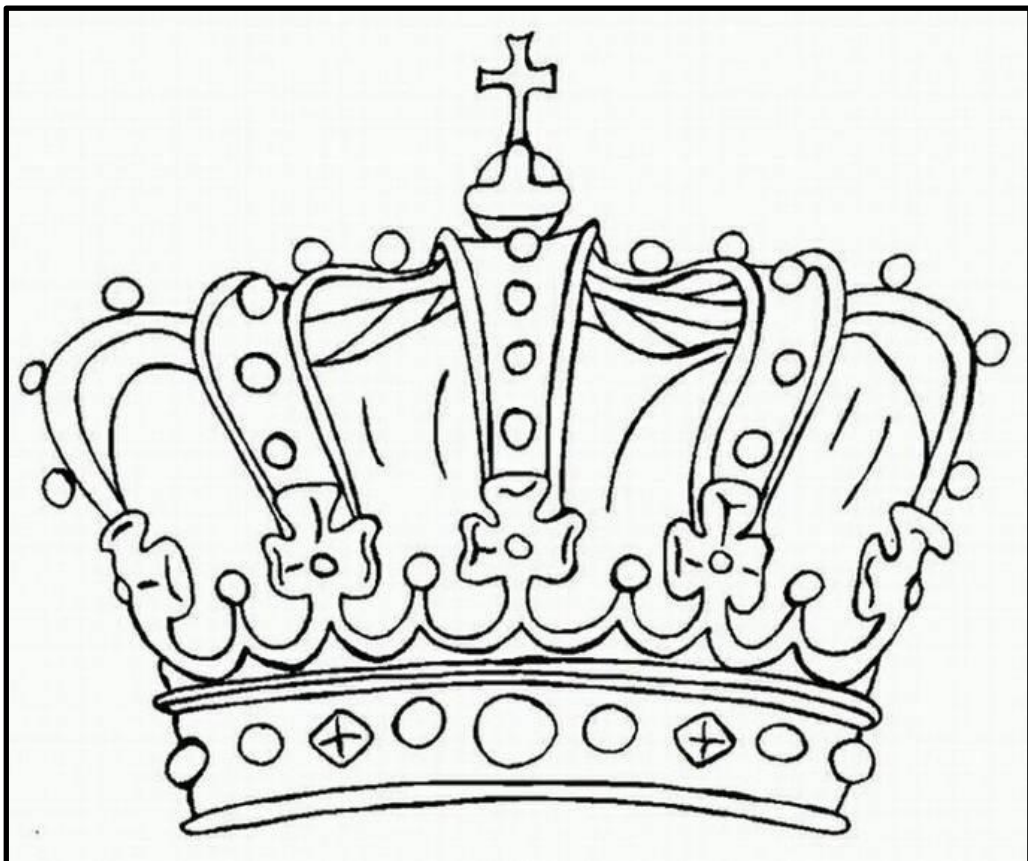

Method

- Mix the mayo, curry powder, cinnamon, chutney and sultanas together and season with black pepper.
- Add the shredded chicken and stir to coat in the sauce. Stir in 2 tbsp water to loosen if needed, then season and use as sandwich filling or on Jacket Potato filling.
