Aster - birth flower for September

**AUGUST
&
SEPTEMBER 2022**

Hello and welcome to your latest magazine, this will cover August and September as we take a break in August.

I have just been listening to the latest weather predictions and it looks like it is going to be unbearably hot. I have got my cold fan ready in case I need it.

Hopefully we will have some good weather during the holidays as many people seem to be staying in England this year.

If you have just moved into the village welcome and we hope that you will be very happy here. You will find some of what happens in the village in this magazine and on the back cover you will find some important phone numbers that you might need.

If you are moving on to pastures new then we wish you all the best for the future and hope that you will find happiness in your new surroundings.

Gardening Tips for August & September

I'm not sure who was the first to advise us to be careful of what we wish for, but their words have been borne out as prophetic recently. Last month I was bemoaning the lack of any decent June weather, and now we are in the middle of a heatwave with more to come - I'm afraid to hope for rain!

Here then are things we might be getting on with as we prepare for Autumn.

August:

1} Now is the time to harvest our onions. Gently ease them out of the ground with a fork, let them dry out under cover or on racks in a greenhouse and then when they are dry, they can be stored either in breathable sacks or hung in clusters from the shed ceiling.

2} Look ahead to winter by sowing handy winter salads in modules and then they can be planted out to follow on from other crops as you harvest. The use of cloche or cold frame will lengthen the growing season.

3} Don't forget to feed your plants. Use liquid feed to boost the growth of tomatoes, aubergines, cucumbers and other fruiting crops. Use fortnightly, once the flowers and fruit start forming.

4} As soon as they start coming, pick peas and beans regularly. Picking ensures that they will keep coming over the next few weeks.

September:

1} Now is the time to lift maincrop potatoes. After they have been dried off they can be stored in hessian or paper sacks in a cool, dark well-ventilated place.

2} As the tomato season comes to an end, the trusses of any unripe tomatoes should be cut off before the weather turns cold and they can be ripened indoors.

3} Onions and shallot sets can be planted in a sunny spot, about 4 inches apart with the tops just showing above the soil. Check for any disturbance by the birds and replace them correctly if necessary.

4} Hardy varieties of broad beans and peas for early crops next year, can be sown now.

In conclusion, a Chinese proverb which could give us a reality check:

“All gardeners know better than other gardeners.”

Kiddies Corner

Chocolate Rice Krispie Cakes

Ingredients

100g milk chocolate, broken up
50g dark chocolate, broken up
100g butter
4 tbsp golden syrup
100g Rice Krispies

To decorate

50g milk chocolate, melted
sprinkles, mini marshmallows, nuts,
Smarties, dried fruit or white
chocolate buttons

Method

Put the chocolate in a heatproof bowl with the butter and golden syrup and gently melt in 10-second bursts in the microwave, or melt it over a pan of simmering water, making sure the bowl doesn't touch the water. Stir until smooth, then take off the heat and stir in the puffed rice, coating them gently with the chocolate until they are all completely covered.

Divide the mixture between nine cupcake or 12 fairy cake paper cases – it's easier if you slide these into a muffin tin as it will help them hold their shape. Leave to set. If you want them to set faster, put in the fridge for 1 hour.

Drizzle with a little melted chocolate and decorate with sweets, dried fruit or nuts while they are still wet enough to stick them on.

Will keep in an airtight container for five days.

CHRISTMAS GIFTS FROM STICKNEY CHARITIES

These Christmas Gifts of money are awarded as part of a historic custom of gifting milk or coal to residents in the village of Stickney over the last 100 years and more.

Over past years the amount of the gift has been pre-determined and restricted to a certain number of people as recognised by the Board of Trustees. Although the amount of money set aside for Christmas gifts has not changed the Trustees have decided to try a different approach for 2022. Again, this year, there will be no limit on the number of recipients but the amount of money for the Christmas gift will vary according to the number of people who apply.

Although the Trustees have been able to set some of the criteria for applying, they are bound by the Governing Documents of the Charities and are not in a position to change certain elements of that criteria. A good example of this is that it is specified that only widows are eligible, whereas if the documents had been drawn up now this would not be acceptable! Whilst this has not been changed for 2022, where only widows can apply, the Charity Commission have been approached for this to be amended to include widowers. Hopefully this will be the case for 2023.

If you would like to apply please complete the application form and return it by 30 September 2022

NOTES FROM THE MEETING HELD ON THURSDAY 07 JULY 2022

There was one member of the public present who came along to talk about a planning application and to answer any questions from the Parish Council.

Apologies: received from Cllr Pavely

Present: Cllrs Pritchard, Sherriff, Edwards and Bolland (Chairman)

Also present: Dist Cllrs Ashton and Jones and County Cllr Bowkett

Reports from Representatives in Outside Bodies

Dist Cllr Jones reported:

Mablethorpe has been recognised as one of the best beaches in Britain. The Commonwealth Games Baton will be in Skegness and in Boston on the morning of 11 July 2022.

Dist Cllr Ashton reported:

The Burger Van has now closed and has been moved although LCC Highways had no issues with it being sited in its position. Planning permission will be required if it was to re-open. There is a consultation out for the diversion of the public footpath at the sewerage farm, if the Ramblers object then it will be another 25 years until this can be considered again. Seven new 'fully accessible to all' toilets will be purchased for the district. A Hedgerow and Tree Policy for the District Council can be adopted into the Planning Policy to protect the trees and hedgerows.

Plans for pylons to be erected from Grimsby down the East Coast will be presented to ELDC. These are to enable green energy to be distributed, via Bicker, to a wider area of the country. ELDC would like to see a local sub-station, which would provide business rates for the Council.

County Cllr Bowkett reported:

LCC have put in a £1m bid for 100 electric car charging points and rapid charging points for Lincolnshire. Lincolnshire Police have spent £20,000 on night vision cameras for use in rural areas. Drop off points for NHS equipment that is no longer being used are now available in recycling sites. It is hoped that there will be drop off points at hospitals in the future. The yellow road markings on the A16 and by the school are to be re-painted. The 30mph speed limit on the A16 will be put out for consultation. There are now changes to how local GP surgeries are being organised.
