

STICKNEY NEWS

MARCH 2024

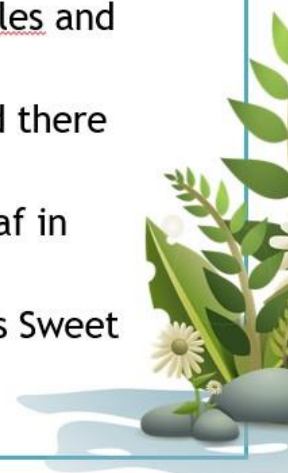

On a Lane in Spring by John Clare

A Little Lane, the brook runs
close beside
And spangles in the sunshine
while the fish glide swiftly by
And hedges leafing with the
green spring tide
From out their greenery the old
birds fly
And chirp and whistle in the
morning sun
The pilewort glitters 'neath the
pale blue sky
The little robin has its nest
begun

And grass green linnets round
the bushes fly
How Mild the Spring Comes in;
the daisy buds
Lift up their golden blossoms
to the sky
How lovely are the pingles and
the woods
Here a beetle runs; and there
a fly
Rests on the Arum leaf in
bottle green
And all the Spring in this Sweet
lane is seen

On the last Thursday of

Kiddies Corner

Welsh Cakes for St David's Day

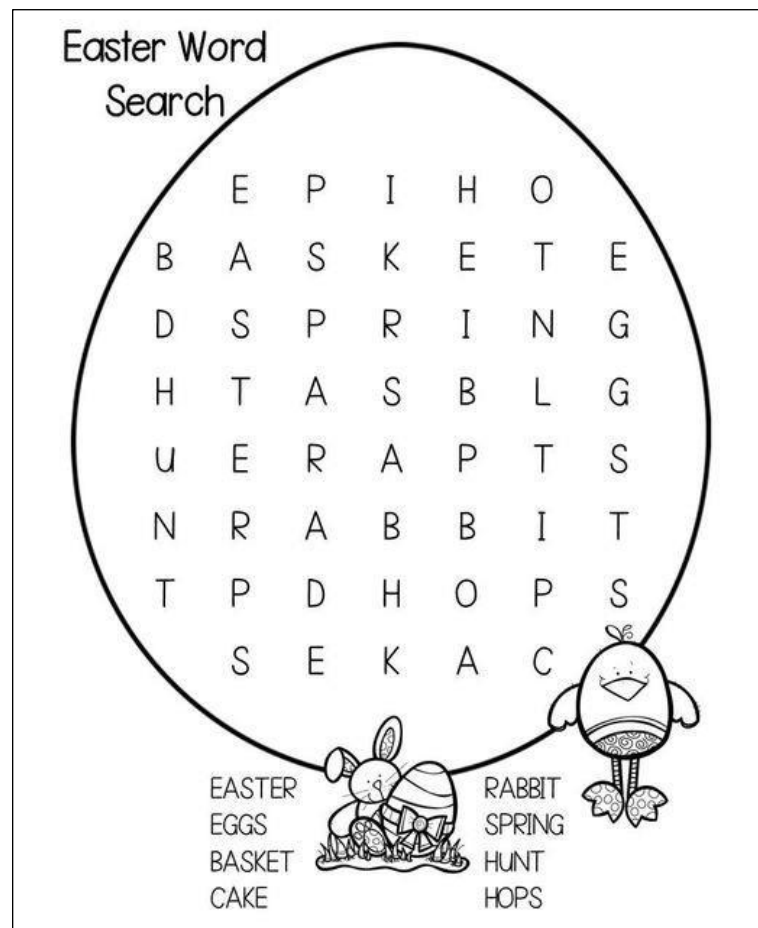

Ingredients

- 8oz / 220g self-raising flour
- 2oz / 55g caster sugar
- 4oz / 110g margarine or butter
- 1 or 2 handfuls of sultanas
- 1 or 2 free-range eggs depending on mixture

Method

- 01** Sieve flour into bowl, then add margarine or butter, rub in finely together.
- 02** Add sugar and sultanas and mix.
- 03** Add 1 egg and mix. The consistency needs to be bound together.
- 04** Roll out on a floured board, to about a quarter inch thick.
- 05** Cut using a 2 inch cutter, then cook on a greased pan, or bake stone, on a medium heat for about 4 to 5 minutes each side.
- 06** The exact cooking length will depend on what you are cooking your Welsh cakes on, but keep a close eye - too short a period and they won't be cooked in middle, and cooked for too long and they will be dry.
- 07** Once cooked dust with caster sugar and enjoy.

Doors open 6:45pm eyes down 7.30pm.

Gardening Tips for March:

I can say, I can't remember experiencing such a long run of foul weather. As I write, the fields and gardens are full of rainwater. The garden is too sodden to even walk on, let alone think of gardening on and what is more, the forecast is not great. However we are told that spring usually arrives by mid-March and we can suppose that the frequent sunny days will give us an opportunity for an increasing range of tasks in the vegetable garden. Here then are a few suggestions in anticipation:

In the greenhouse/indoors:

- 1} It is not too soon to be thinking of sowing aubergine, sweet peppers and cucumbers in the propagator. Later on in the year these plants can stay in the greenhouse over the summer.
- 2} Tomato seeds can also be started off under glass for greenhouse cultivation. There is a large range of sizes, colours and flavours to choose from so even a small variety of seeds will give you an interesting selection later in the summer.
- 3} You can start winter brassicas such as cauliflowers and Brussel Sprouts in a cold greenhouse or cold frame, ready to plant out later in the spring.
- 4} Salad seeds can be sown in pots and placed on the windowsill for fresh, healthy leaves. Old yoghurt pots can be usefully used as containers; another seed which benefits from indoor sowing initially, is basil. These can stay indoors and planted out when risk of frost has passed.

Outdoors:

- 1} Early varieties of broad beans such as, The Sutton or De Monica, can be sown as the ground warms up.
- 2} If you have warmed up your soil with plastic sheets or cloches, then you can sow beetroot, an early variety of carrot such as Amsterdam Forcing and spring onions, straight into the soil.
- 3} And, of course, onion, shallot and garlic sets can be sown once the risk of frost has passed.

And finally, a quote from Ray Everson who said;

"The philosopher who said that work well done
never needs doing again, has never weeded a garden!"

Happy gardening

NOTES FROM THE MEETING HELD ON THURSDAY 01 FEBRUARY 2024

There were 15 members of the public present. They came along to give points of view and objections to planning application no S/169/00025/24. Notes were made and will be considered by the Parish Council at item 14 on the agenda.

A question was raised about the possibility of pylons in the area, there is no clear plan of where they are going to be sited. A consultation event is being held in Eastville.

Present: Cllrs Pritchard, Jones, Pocklington, Hopkins, Sherriff and Edwards (Chairman)

Also present: County Cllr Bowkett and Dist Cllr Ashton

Apologies: received from Dist Cllr Jones

Co-opt a new Councillor

Alison Gray was co-opted onto the Parish Council, she joined the Councillors and signed the Declaration of Acceptance of Office

Reports from representatives on outside bodies

County Cllr Bowkett reported:

Following consultation it seems most people support devolution for Lincolnshire. £40m is needed each year to sort out the road maintenance back log, LCC have asked for the 25% previously cut by the Government to be given back. The LCC full budget can be found on the website.

The consultation for the pylons for National Grid between Grimsby and Waplode can be found at www.nationalgrid.com/the.great.grid.update. The meeting held with Anglian Water regarding flooding was well attended and Anglian Water have pledged to look into the issues raised and give regular updates.

Dist Cllr Ashton reported:

Disposable vapes are to be banned, this is good news, but no licence is required for tobacco products so there is nothing to remove when sold against the law as it is with alcohol licences.

The district has increased Council Tax on a band D property by £4.95. ELDC has received a 'wind-fall' through Tritton Knoll business rates, it is not known how many years this will last.

Drainage Boards and special levies are a drain on Council Tax with 60% going to the drainage boards.

Declarations of Interest

There were no declarations of interest

Planning applications received

S/169/02246/23 - Mr Littler & Miss Brown - Extensions to existing dwelling to provide additional living accommodation to include an attached annexe at Thorpelands, Hall Lane – amendment - **SUPPORT**

S/169/00101/24 - Mr B Wright - Extensions to existing dwelling to provide additional living accommodation at Redlynch, Main Road - **SUPPORT**

S/169/00025/24 - Mr & Mrs Cash - Outline erection of 46 dwellings (with means of access and site layout to be considered) at land adjacent to William Lovell Church of England Academy/Stickney Meadows (Cllrs Hopkins, Jones and Gray left the meeting) - **OBJECT**

This land may need to be used in the future if the William Lovell Academy needed to extend due to the increase of family properties already having planning permission within the catchment area, Stickney, Sibsey and Stickford. The development is too large for the area to sustain alongside the existing approved large planning developments in Stickney. The access to the site, via Stickney Meadows, would be via an unadopted road which is currently maintained by the residents of Stickney Meadows. These residents pay for the upkeep of this road and, quite rightly, do not want construction vehicles

Planning applications received - continued

using it when they pick up the bill. The roadway is also very narrow and would not allow two construction vehicles to pass. Recently a meeting was held with Anglian Water and the local MP to discuss drainage issues in Stickney due to residents having problems with toilets backing up and finding sewerage in their gardens. This development would be in an area where the flooding/water issues are. Stickney Meadows is a development of 50 properties, an application for 100 properties was refused and then changed to 50 properties and approval was given. Had the original application been for 96 properties would planning have been approved? There ARE issues with appointments at the local Surgery. With the developments locally approved, together with those in Stickney, this will become an even worse issue. The local report given is inaccurate as there is only one shop, no sports fields, no ATM and the play area is for under 14's only. The report implies that there are two shops, two sports fields and an ATM, this is not the case. This site is not in the local development area of the village. (Cllrs Hopkins, Jones and Gray returned to the meeting)

S/126/01403/23 - Mr A Gray - Change of use of land to use as a gypsy/traveller caravan site comprising: a warden's pitch accommodating a static caravan/mobile home and, 10 transit pitches, each accommodating no more than 2 touring caravans, erection of toilet/wash block and, erection of dayroom building and laying of hardstanding (works commenced) at Stickney Showground, East Fen Lane. - **OBJECT**

ELDC already have a number of transit sites within East Lindsey that are not being used, why is there a need for another one? The access road to this site is narrow and there is not the room for two caravans to pass. There are no street lights along this lane. The site is in a high risk flood area with no existing services. Is there an environment impact report available? The site is outside the local development area of the village.

Planning Decisions received

No planning decisions have been received, but enforcement have acknowledged that they are looking into a burger van.

Update regarding defibrillator at the Youth Centre

The grant has been approved by ELDC and the Defibrillator ordered. It should be with the Clerk in the next couple of weeks. The Community Committee will be asked who does the electrical work at the Youth Centre.

Play Area

The play area is checked regularly on behalf of the Council and the bins are being emptied regularly. The signs will be chased up, one of them is more difficult to replace than the other. The needles and leaves from the trees need to be removed.

**DO NOT USE THE LITTER BIN IN THE CHILDRENS PLAY AREA
TO DISPOSE OF ANY DOG BAGS**

The precept for the year ended 31 March 2025

The precept is set at £25,000.00, with a tax base of 370 this means that the cost to a Band D property will pay £67.57 per year.

Cemetery and Churchyard

The tree work in the cemetery has been carried out. The grass cutting contractor will continue for 2024.

Highways

Hedges by footways, and roadsides, need to be cut back before the bird nesting season, LCC will be advised of any overhanging hedges. A 30mph average speed camera/check will be requested for Main Road. The new site for the Puffin Crossing is where it was originally requested.

Highway faults and repairs should be reported

via the

'fixmystreet' app on your mobile phone

Photos can be taken at the time of reporting

Works that could be carried out by the ELDC Pride Team

The ivy in the cemetery needs to be cut back and be tidied up. The grass encroaching the footway at Horbling Lane needs to be cut back for the whole footway to be used. The graffiti on the play equipment needs to be removed.

Artwork for the bus shelter at Main Road

The secondary school will be doing some artwork in the brick bus shelter at Main Road. A visit will be made to the school to get suggestions for the artwork for the Parish Council to pick a 'theme'. The brickwork needs to be prepared and the Parish Council resolved to pay for the materials required for the project. The work will be used as part of the coursework for the Art exams.

Date of next meeting

The next meeting will be held on Thursday 07 March 2024 at 7.30pm in the Youth Centre, Hall Lane with a Public Forum from 7.15pm
