# Five Little Seeds

Five little seeds,  
Five little seeds,  
Three will make flowers,  
And two will make weeds.

Under the leaves,  
And under the snow,  
Five little seeds are  
Waiting to grow.

Out comes the sun,  
Down comes a shower.  
And up come the three,  
Pretty pink flowers.

Out comes the sun,  
That every plant needs,  
And up come two,  
Funny old weeds.

On the last Thursday of each month the Parish Council Clerk will be available at the coffee morning at St Luke's Church from 10.00am.

**The mobile Post Office**  
will visit Stickney  
in the Youth Centre Car Park  
on

Christian Aid is an international organisation of more than 900 staff working to end poverty. We believe that local people in poor countries are the real experts on poverty. So we support more than 700 local organisations, because they're best placed to understand the causes of poverty and how to fight it.

### **Our emergency response**

We're based in countries affected by disasters so we can be there before, during and after an emergency to save lives and support people long term. Through our work with local organisations in these countries, we can talk directly to the people affected to provide the most useful emergency response.

### **Christian Aid Week**

On Thursday 16 May there will be a coffee morning in church 10.00am – 11.00am. This is your chance to get rid of your small change, bring it along to church where you can help fill a cross with copper and silver coins. Alternately you may pass your coins to Bev Gosling (Churchwarden) or Doreen Cooley (Treasurer)

**There will also be a raffle, tombola and refreshments**

### **Prayer requests**

If you would like prayers said in church for you at a time of illness or upheaval this can be arranged. If the request is for another person, the prayers will not be said in public for confidentiality reasons. Contact the clergy listed below.

## **Gardening Tips for May:**

At long last, the weather seems to be taking a turn for the better. As I write, we've actually had a few dry days with above average temperatures.

Having said that, the forecast for the next week talks of a colder spell.

Nevertheless, there is enough in the lengthening evenings to tear those seed packets open and get sowing. Here then are a few ideas of what we might be doing in the garden in the next month.

1} Main crop potatoes should be planted now. They generally need more space than the first earlies (which are already showing leaf growth). They should be planted about 2ft apart. According to Mony Don, there is no need to dig a trench; just make a hole, the depth of a trowel and plant. Finally cover with soil. As the first leaves appear, soil can be drawn up around them.

2} Plant out any module sown broad beans about eight inches apart, in rows also eight inches apart. At the same time you could sow some more in plastic pots ready for a successive sowing later on.

3} Beetroot comes in different colours and shapes but always seem to taste the same. They can be started off in cell-trays for transplanting or sown straight into the ground, one inch or so deep, four inches apart in rows about 12 inches apart: As well as tasting great, they apparently have certain health benefits, reducing inflammation and encouraging blood flow and consequently, reducing blood pressure.

4} As with beetroot, so too there are many varieties of French Beans which come in a climbing variety (which will need supporting) or the more compact dwarf variety. They can be sown successively until July and can be used to fill any small spaces which become available.

Finally, a saying which I'm sure will inspire us in keeping weeds under control:

***'A dirty hoe is a happy hoe'.***

## NOTES FROM THE ANNUAL PARISH MEETING

Chaired by Cllr Edwards, Chairman of the Parish Council

The Chairman apologised that neither the Dog Warden or a representative from the Lincolnshire Road Safety Partnership were available to attend the meeting.

### Apologies

Apologies have been received from Dist Cllr Jones

Present: Fifteen members of the public, Dist Cllr Ashton, County Cllr Bowkett and Cllr Edwards (Chairman of the Parish Council)

### Minutes of the Annual Parish Meeting held on 25 April 2023

The Chairman read out the minutes, it was resolved that these be signed as a true record.

### Chairman's annual report

The Chairman read out the annual report.

### Speaker

A representative from the William Lovell came along to speak about the artwork being planned by the art students, that will result in a mural being painted in the bus shelter at Main Road. The mural will be part of the students course work as they are putting ideas together following research into the village. It is hoped that the work will be done in July this year.

### To receive reports from:

County Cllr Bowkett:

- a. The LRSP and the Police will come to talk to the residents at another time, perhaps in July?
- b. The Puffin crossing is a work in progress and will be sited on the Main Road in six to eight months.
- c. Footways at Main Road and Hall Lane will be sprayed in June and Holmes Road, Lancaster Close and Horbling Lane will be done in July.
- d. The Call Connect App is now available for booking as well as online. Any bus journey is £2.00 whether Call Connect or the service buses. LCCC are trying to get residents to use the bus services and a survey can be completed at [www.letstalk.lincolnshire.gov.uk/buses](http://www.letstalk.lincolnshire.gov.uk/buses), there is also a copy of the survey in the County News.
- e. Questions were asked about speeding on the A16 and Horbling Lane – this is a subject for the LRSP and the Police to deal with. A request for average speed check will be put to LRSP.

Dist Cllr Ashton:

- a. ELDC have set the budget. There has been a windfall in Business Rates from Viking Link, this may be available for up to five years only. This will enable the District Council to fund new projects in the Market Towns and the Parishes. Some areas do not have a Parish Council, just a Parish Meeting – they do not have any finances to purchase, for example, a bench, this money can be used for things such as this.

- b. ELDC have opposed the pylon suggestions for the Fens, along with LCC. It is hoped to get the Fens realised as an area of Outstanding Natural Beauty, matching the adjoining Wolds. Natural England are the decision makers for this to happen.
- c. Coastal areas:
  - i. Mablethorpe – plans for Carbon Capture, private companies are bringing opportunities to the area with high end jobs included.
  - ii. Skegness Gateway – this will grow the population and in turn benefit schools and the health service.
  - iii. A new sea wall should be built to keep the sea where it is.
  - iv. Witham Fourth managed to deal with the rain water, pumping 12,000 gallons of water a day for five days for the Environment Agency. The Environment Agency need funding to help with drainage maintenance. A Rivers Plan for Lincolnshire would help everyone work together to deal with flooding of any kind.

Any other business – open to members of the public

The speeding traffic is still a problem at the Main Road and at Horbling Lane.

Litter being deposited in the cemetery bins may be the litter picker who stores the full bags until the cemetery bins are due to be emptied.

The primary school are wanting any old paint or building materials to help ‘cheer up’ some old sheds in the school field.

A resident pointed out the fact that Parish Councillors give their time for free to do the good work they do – it is much appreciated.
