Cemetery Garden of Remembrance

Would residents leaving pots and artificial flowers in the ground around the memorial plaques in the Garden of Remembrance please remove them.

The flower vases are for the use of anyone who wishes to leave flowers for their loved ones, do please use them.

Any pots or artificial flowers left around the plaques after the end of July will be removed.

Pots and vases placed on the plaques will scratch the surface and eventually damage them.

Artificial flowers around one plaque may encourage others to place them around other plaques which are not easily accessible without standing on some plaques.

A note for everyone who places wreaths in the Garden of Remembrance – please be aware that metal in the base of a wreath will affect the gold letting on a plaque, other bases will be available and will not cause any damage.

Gardening Tips for July:

As I write we are still waiting for some real warmth. There is a cold wind that certainly does not encourage much gardening activity. However, perhaps by the time the Newsletter has been delivered, the sun will be shining out of a beautiful blue sky. It is difficult to think that in about ten days time from now, the days will start getting shorter. Oh joy!

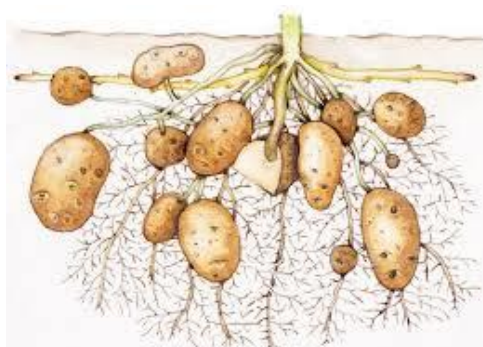

Here are some jobs which could keep us busy as we enjoy the beginning of Summer.

- 1} Onions and Shallots are thirsty vegetables, so water them regularly to improve the size of the bulbs and to ensure a good flavour. Keep an eye on any that are forming little seed heads and pinch off, also for any rotting bulbs which should be binned immediately.
- 2} Weeds need as much, if not more, attention now. Longer daylight hours and showers will benefit their growth, so keep our old friend, the hoe, busy.
- 3} Tomato plants will be taking up a fair share of available time. Remove any side shoots, stop the plants when 4-5 trusses are evident by cutting off the main growing tip. Feed regularly with tomato food and keep an eye on the soil, maintaining a good level of watering.
- 4} Second early potatoes should be ready for harvesting. Gently lift one or two tubers to check on the size, and if they are found to be on the small size, leave them a bit longer. Remember to water if possible.
- 5} Carrot seeds, lettuce and leaf seeds and spinach can continue to be sown successively during the month. Beetroot and early sown carrots should be ready to be harvested by now.
- 6} Regular pickings of runner beans, French beans and courgettes will encourage further cropping. Keep a particular watch on courgettes which seem to be able to grow into marrow size overnight.
- 7} It is worth buying a few, specially treated, potato tubers for planting either in bags or buckets, for eating on Christmas Day. By planting them in containers, they can be taken into a sheltered spot when the frosts come.

In conclusion, some advice from William Kent:

‘Garden as though you will live forever.’

Happy gardening

Community events in Boston for 2024

Boston Borough Council's events team and local organisers have an exciting line-up of community events planned for Boston Town Centre for 2024. Funded mainly through the Boston Town Area Committee (BTAC), these events celebrate the history, heritage, culture, and diversity of our town, while also driving footfall into the town centre and promoting healthy activities within the community.

As we embrace Springtime in Boston, we're thrilled to announce the event line-up for the rest of the year. With the May Fair just around the corner and Boston Bike Night under new leadership, our community is in for some fantastic experiences.

Dates for your diary - here's a glimpse of what's in store for 2024:

- 04 July: Boston Bike Night
- 14 July: Boston's Strongest and Food Fest
- 15 July: Boston Beach opens until 02 September
- 17 July: Teddy Bears Picnic at the beach
- 18 July: Busking Festival
- 23 July: Golden Time at the beach
- 02 August: Explorer Trail
- 02 August: Food Festival, day 1
- 03 August: Food Festival, day 2
- 07 August: Dinosaur Trail
- 10 August: Art Street Market
- 15 August: Boston Beach and Boston Big Local Legacy Event, day 1
- 16 August: Boston Beach and Boston Big Local Legacy Event, day 2
- 17 August: Skate Jam
- 20 August: Fun in the Sun at the beach
- 25 August: Ska and Reggae Festival
- 28 August: Mermaid Themed Trail
- 25 October: Haunted Boston
- 29 November: Boston Christmas Festival starts
- 01 December: Boston Christmas Festival finishes

It is hoped families will make the most of these events which have been lined up for the whole community, **many of which are completely free.**

Declarations of Interest

There were no declarations of interest

Planning applications received

The Parish Council OBJECTED to the following planning application:

S/169/02506/23 - Steven Layn (Holdings) Ltd - Change of use and alterations of existing buildings to be used under class E, siting of 137 storage containers and erection of 13 micro commercial units, erection of security gates and fencing and hardstanding at The Caravan Centre, Station Business Park, Main Road.

The development is not in keeping with the aspect of open countryside in this area of the village and is next to a Nature Conservation Area. How many addition vehicles would be entering the site, it will be more of an industrial site with all the units suggested. Will the additional traffic impact on the adjacent Nature Conservation Area? The Public Footpath needs to be maintained and clear to walk at all times.

Planning Decisions received

There were no planning decisions for this meeting

Play Area

The inspection report will be checked with regard to the Witch's Hat. A new sign will be ordered for the Hall Lane entrance. The Pride Team will be asked about cleaning the equipment and possible removing the graffiti.

**DO NOT USE THE LITTER BIN IN THE CHILDRENS PLAY AREA

USED DOGGY BAGS CAN BE PLACED IN YOUR BLACK BIN**

Highways

There is a big hole and a drain collapsing by Clutterbugs on the Main Road, it has been reported on Fix my Street. The roadside grass verges have been cut.

Highway faults and repairs should be reported

via the

['fixmystreet' app on your mobile phone](#)

[Photos can be taken at the time of reporting](#)

Church Clock

The Church clock is not chiming, there have been no bell ringers in the tower. It was resolved to bring the service of the clock forward a couple of months and ask for the chiming to be restored.

ELDC PRIDE team

The Pride team will do the work requested at Horbling Lane, clearing the grass from the footway, and clearing the ivy in the Cemetery. They will be asked if they can clean the equipment in the play area.

Lincolnshire Countryside Access Survey

The survey at countryside_access@lincolnshire.gov.uk can be completed by anyone interested in the public footpaths.

Date of next meeting

The next meeting will be held on Thursday 11 July 2024 at 7.30pm in the Youth Centre, Hall Lane with a Public forum from 7.15pm.

A representative from the
Lincolnshire Road Safety Partnership
Will attend the meeting to be held on
11 July 2024 at 7.00pm
In the
Youth Centre, Hall Lane
Anyone is welcome to attend the meeting

The Parish Council would like to sincerely thank George Bolland and his family for the work they have done in sorting out the magazines for delivery to every property in the village.

The magazines are collected and taken to George who then delivers the magazines out to other volunteers who in turn deliver in their roads. In addition to this George delivered over half the magazines himself to properties on Holmes Road, William Lovell Way and Hall Lane and he has done since September 2012 with the help of his grandchildren.

After 14 years George is 'retiring' from this voluntary job, the Parish Council is sure everyone in the Parish appreciates this work that just seems to happen each month!

The 'retirement' means that volunteers are now required to deliver magazines in these areas. If anyone feels they can give up some time each month to cover one of the three roads, or share the work with a neighbour, please contact the Clerk to the Parish Council on 07466 656980.
