

NOTES FROM THE PUBLIC FORUM HELD ON 07 NOVEMBER 2024

There were four members of the public present, together with Dist Cllr Jones.

The recent slurry sealing of the footways have caused issues with residents being unable to get their cars off their driveways, detailed information should have been given to all residents affected. LCC are aware of the issues and poor work carried out. The road signage needs to be cleaned and the road markings should be replaced when the puffin crossing has been installed. The road closure signs need the times of the closure on them. Can LCC place 30mph repeater signs on Horbling Lane.
