Traditional English May Day rites and celebrations include crowning a May Queen and celebrations involving a maypole. Historically, Morris dancing has been linked to May Day celebrations. Much of this tradition derives from the pagan Anglo-Saxon customs held during the month of May, meaning *Month of Three Milkings*, along with many Celtic traditions.

May Day has been a traditional day of festivities throughout the centuries, most associated with towns and villages celebrating springtime fertility (of the soil, livestock, and people) and revelry with village fetes and community gatherings. Seeding has been completed by this date and it was convenient to give farm labourers a day off. Perhaps the most significant of the traditions is the maypole, around which traditional dancers circle with ribbons.

Gardening Tips for May:

By the time this will have been delivered, all risk of frost will have passed, so many vegetables can be sown outdoors directly into the ground, while earlier sowings done into modules can be generally safely sown into their permanent positions. Tender crops e.g. cucumber, melon and courgette can still be sown under cover ready to be planted out as the days lengthen and the temperatures rise. Here then are a few suggestions as to what we might be doing in the garden to make full use of improving weather.

1} Sweetcorn is a good crop to grow and can still be sown in May in order to give the plants plenty of time to grow and ripen. They are best started off in modules and planted when the seedlings are large enough to handle. If you sowed some in April, they should be ready to go out now into the ground after a period of hardening off.

2} Cucumber. Probably best grown in a greenhouse. However, some newer varieties can tolerate outside conditions. Again sow in multi-celled seed trays or individual pots and transplant when seedlings are large enough.

3} Purple sprouting broccoli is, to my mind, one of the tastiest vegetables and can be steamed, boiled or even grilled. They should be started off in seed trays or later, in prepared seed-beds and planted out when big enough. Early varieties will need netting to prevent attacks from cabbage-white butterflies. They grow quite tall so will probably do with staking.

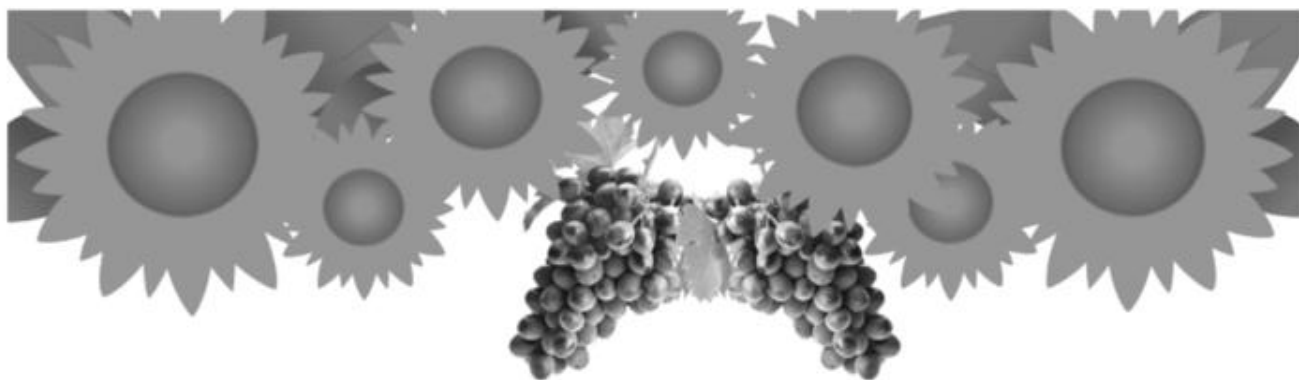

4} Courgettes. The secret with courgettes is not to grow too many! One or two plants will be sufficient to feed the average family; the trick is to hold your nerve, and hope the two you do sow will grow and plant them out into well prepared soil. Water regularly and look out for slugs and snails.

5} Basil. This is a versatile annual herb, used in pastas, sauces, pizzas and salads. It costs a fortune in supermarkets but can be sown in individual pots. The secret to growing basil successfully, is not to overwater. Harvest using scissors, cutting a lead stem just above a pair of leaves. Although sweet basil plants are sold in supermarkets there are many exciting types to try.

In conclusion, a word of wisdom from Robert Louis Stevenson who wrote:

"It is a golden maxim to cultivate the garden for the nose,
the eyes will take care of themselves."

Happy gardening

NOTES FROM THE PARISH COUNCIL MEETING HELD ON THURSDAY 06 MARCH 2025

There were four members of the public present, together with Dist Cllrs Jones and Ashton. A project on LCC land was discussed, more information will be sought. The Council Tax was questioned, the budget is on the Parish Council website for residents to view. The application for the removal of conditions imposed on a planning application were questioned, the application will be called to the Planning Committee. The speed of lorries working at Sibsey overnight and using Horbling Lane for access will be referred to LCC.

Present: Cllrs Pocklington, Hopkins, Burton, Gray, Pritchard, Jones, Sherriff and Edwards (Chairman)

Apologies: received from Cllr Burton and County Cllr Bowkett

Declarations of Interest

There were no declarations of interest

County Cllr Bowkett reported by email:

LCC will replace the glass in the defibrillator box.

Dist Cllr Jones reported:

The S106 monies are being chased up at ELDC, unfortunately any funds received from developments in Stickney cover six surgeries in the NHS area. A coordinator has been appointed for the East Lindsey Investment Fund of £10m. A Grass Roots grant of £25,000 is available for community projects. The District Councillors grant will be £4000 each for 2025/26.

Dist Cllr Ashton reported:

East Lindsey Executive Committee have set aside £300,000 for enforcement in planning and licencing with regard to holiday caravans and letting in the district. 10 ton of plastic waste has been removed from the coast. The Wolds outdoor festival will run between 17 May and 13 June. There is a Local Development Order for the Skegness Gateway to extend allowing building of affordable housing and extension of the industrial estate. Discussions are continuing with regard to the new County Council 'set up' when there is no District Council. Following a question to Dist Cllr Ashton regarding planning appeals, it was explained that the Planning Inspectorate alone will determine the outcome of any appeal.

Christmas 2025

Nothing can be placed in the ground to support a Christmas tree, but it was suggested that it be placed out of the wind. The situation with the lights will need to be considered further as there is an issue with an electric supply.

Planning Decisions received

An **APPEAL** has been made against the refusal of:

S/169/00025/24 - Mr & Mrs Cash - Outline erection of 46 dwellings (with means of access and site layout to be considered) at land adjacent to William Lovell Church of England Academy/Stickney Meadows

An **ENFORCEMENT NOTICE** has been served:

S/126/00170/25 - Without planning permission, change of use of the Land to use as a gypsy/traveller caravan site and operational development consisting of the development of brick-built walls and piers, fencing and gates, the importation of aggregate for the creation of hardstanding and the raising of land levels, the development of a brick and block structure with twin apex in the southeast corner of the land, the development of sheds and the siting of containers, portacabins and installation of surface and foul water drainage at Land at Stickney showground, East Fen Lane

Planning applications received

OBSERVATIONS were made to the following planning application:

00273/25/ESR - Mr K Wilkinson - Environmental Impact Assessment (E.E.C. Directive 85/337/E.E.C. as amended by Council Directive 97/11E.C.) for a screening opinion with respect to the change of use of existing commercial fishing lake to provide a holiday park, with the siting of 22 no. holiday lodges, excavation of land to form a fishing lake and an extension to the existing fishing lake, erection of a storage building, provision of 3 metre high bunding, the construction of internal access roads with associated infrastructure and landscaping at Land Opposite The Boathouse Hagnaby Lock Stickney Lincolnshire

The area is prone to local flooding; are the utilities in place for this site; is there a fire hydrant in the area and, should it to ahead, can Folly Lane not be used for access do to ongoing issues with this road?

OBJECTIONS were made to the following planning application:

S/169/00336/25 - Steven Layn (Holdings) Ltd - Section 73 application to remove conditions no.6 (use), no. 13 (vehicles & machinery), no. 14 (operating times), no. 15 (subdivision) and to vary conditions no. 4 (landscaping) and no.7 (scope of e) previously imposed on planning permission ref. no. N/105/02506/23 for the change of use and alterations of existing buildings to be used under class E, siting of 136 No. storage containers and erection of 13 No. micro commercial units to be used under class E, erection of lifting barrier and fencing and construction of hardstanding at The Caravan Centre, Station Business Park, Main Road

There is a public footpath in this area and the site is off the A16, the use for self-storage (as approved) is preferable to commercial storage which could cause build up of traffic to the site and disrupt the use of the public footpath and create noise for the neighbours. The vehicle movements at the site need to be adhered to for the local residents who will be affected by this site in the hours set out. The landscaping should be in place first to help the neighbours, planting of mature trees should help with both visual and noise issues. The planning reference number is incorrect – should be S/169/02506/23.

SUPPORT was given to the following planning application:

S/169/00375/25 - Mr. & Mrs. Wride - Erection of a bungalow with detached double garage and alterations to existing access at Wydale House, Main Road

Planning Decisions received

Highways:

The chevrons at the bends on the A16 have been cleaned. The roadsides in Stickney Lane need to be filled in, they are so deep with lorries and tractors pulling over, but a car will be damaged should it pull off the road. There is a dip in the road at the top of the bridge.

Highway faults and repairs should be reported via the 'fixmystreet' app on your mobile phone

Photos can be taken at the time of reporting

Draft public rights of way improvement plan

Comments have been made by individual Councillors. Residents can make comments at:

www.letstalk.lincolnshire.gov.uk/draftrowip

Issues were reported for footpaths numbered 341 and 344, these will be reported to LCC, being horse riding where there is no bridleway, a tree across a path and potential flooding by a bridge.

Bench at Horbling Lane/Main Road bus shelter and planters at William Lovell Academy

LCC Licences are being sought for these works.

The church clock - winding and repairs to rope

The PCC have offered to pay for the repair to the rope for the Church Bells which will enable the ringing of the bells and the chiming of the clock. It was explained that the work has been ordered as there is not enough time to get quotes for the repair and then get the work done before the end of April. The costs are unknown at this time. The delay is due to two clock repairers having injuries at this time.
