October proved to be a busy and rewarding month for the Church Community at St Luke's:

Primary School Harvest Celebration

On Friday 3rd October the Primary School held its Harvest celebration at St Luke's. The children delighted everyone with their dancing, singing, poetry, and artwork. Generous donations were received from both the Primary School and The William Lovell Academy, many of which were distributed to Boston Food Bank and Centrepont.

Pet Service

The Pet Service held on Saturday 4th October was once again well attended. Father Peter led the service, bringing together members of the community and their pets in a spirit of joy and gratitude.

Harvest Festival and Supper

Sunday 5th October saw the celebration of St Luke's Harvest Festival, followed by the Harvest supper on Monday 6th October. Both events were well supported by the congregation and community. The auction of produce and the supper together raised £300 for church funds. Sincere thanks go to everyone who participated in these events.

On the last Thursday of each month the Parish Council Clerk will be available at the coffee morning at St Luke's Church from 10.00am.

Stickney History Exhibition

The Stickney History Exhibition was once again a great success, attracting over 250 visitors across both days, with Sunday proving to be the busiest.

Attendees had the opportunity to research family trees using our extensive records of censuses, births, deaths, and marriages. Others enjoyed browsing old maps and photographs, or reconnecting with old friends.

Donations from the event were made to Lincolnshire & Nottinghamshire Air Ambulance and to St Luke's Church, with each receiving £140.00.

Our thanks to all who attended and contributed to making the weekend memorable.

The outdoor bowling season has now finished, but the work at the bowls club continues in preparation for the 2026 season.

NOTES FROM THE PARISH COUNCIL MEETING HELD ON THURSDAY 02 OCTOBER 2025

There were three members of the public present. One came along to show evidence that there is no breach of planning for a large property in the village, this was in the form of a letter received from ELDC. Other matters discussed were the cemetery footpath and questioning if issues were being chased up at LCC when reported.

Present: Cllrs Pocklington, Hopkins, Burton, Pritchard, Sherriff and Edwards (Chairman)

Apologies: received from Cllr Jones and Pritchard

Also present: Dist Cllr Jones

Declarations of Interest

There were no declarations of interest

County Cllr Hume was not present although she had emailed to ask about Remembrance Day, a short service is held at the War Memorial, wreaths are laid and then refreshments are served in Church.

Dist Cllr Jones reported:

The planning application for 9 properties at The Forge has been approved by ELDC. The Local Government Reorganisation has to be agreed by 17 November 2025. There are ten Councils with nine ideas put forward for Lincolnshire. LCC want one Council for the whole county whereas ELDC want two Councils with a north/south divide. When this is sorted the Mayor will be able to precept and more responsibilities will be passed to Parish Councils. A Parish Council in East Lindsey has received a grant for an interactive speed sign, details will be passed to the Clerk.

Cllr Burton reported on the Police 'Teams' meeting:

There is not enough policing in rural areas, this should be addressed. Issues at the picnic area were discussed, the Police were not aware of these. **Residents should call 101 and report any incidents** before anything will be done. Funding is available for interactive speed signs, but it was not reported where from. There will be more Police motor cycles and cars used with speed cameras rather than the vans parked in lay-bys. Lincolnshire Police are £25m light on their finances compared to other areas.

Planning applications received

External audit report for the year ended 31 March 2025

The External Audit report has been received, there are no issues to report following an in depth audit. The Notice of Conclusion of Audit, together with the External Audit Report is in the notice boards and on the website as required.

The glass has not been replaced in the defibrillator box, LCC reported that it will be done as a temporary fix in the first instance until the company who broke it sort it out. The drain by the Church was checked, but tree roots have grown into it, this will be dealt with in due course. The work on the footway at Horbling Lane is due to start on 13 October, all being well. Pavement parking in Horbling Lane is becoming an issue, this should be reported on 101 if it is causing others to walk in the road.

Speed checks can be carried out by residents who have been on a training course with the LRSP and the PCSO.

The Clerk reported that for the next financial year the Parish Council should have gov.uk email addresses. Information about a company supplying a domain for these email address was reported. It was resolved to go ahead with this company and use clerk@stickneypc.gov.uk if it is available.

Cemetery

The beech hedge in the cemetery has been cut, but it is unknown who has done this work. It does need sorting out and the current contractors will deal with this. Tenders were sought for the 2026 maintenance, with a decision being made to continue with the current contractors.
