Harvest Festival . This was well attended. The floral decorations were arranged by Julia Colden. Both the village schools, Stickney Primary C of E and William Lovell Academy were very generous with their donations of produce along with the congregation. The produce was divided between Centrepoint and the Boston Food Bank.

Some items along with the fresh produce were auctioned off at the Harvest Supper. This was a pleasant evening and enjoyed by all. The Parochial Church Council would like to thank all who helped in any way.

MINUTES FROM STICKNEY PARISH COUNCIL MEETING ON THE 1ST OCTOBER 2026

Public Forum: Several matters were raised by members of the public. Requests were made for the Parish Council to explore the installation of reactive speed signs in the village, with concerns also expressed about the current condition and maintenance of the church gates.

Another member highlighted difficulties faced by her neighbour, who is unable to move their wheely bins due to disability. She asked whether arrangements could be made for the bin collection team to collect the bins directly from the property rather than from the roadside. She has already spoken with District Councillor Jones to seek assistance.

A further member asked that police presence be arranged at future Parish Council meetings so that policing matters affecting the village can be discussed directly with officers.

District Councillor Report: The District Councillor provided a detailed update on several ongoing matters. He confirmed that food caddies will be collected soon, and reminded residents that plastic should not be placed in garden wheelie bins, as this continues to cause contamination issues during collection.

He advised that local elections will take place in May next year, although no further information has yet been released.

Changes to the planning process were also highlighted: parish councils now have 21 days to submit comments or objections on planning applications. If no response is received within that timeframe, the application will be treated as having no objections.

He also updated the Council on current grant schemes, including ongoing opportunities that may benefit community projects.

County Councillor Report: County Councillor Hume delivered her report after Item 9. She acknowledged receipt of the Clerk's email sent following the previous meeting and confirmed that she will look into the concerns raised regarding the speed bumps and explore what can be done to address issues at the picnic area. Further updates will be provided once she has spoken with the relevant departments.

Planning: The Council reviewed a Reserved Matters application for the development at Braybrooks House. Although outline permission has already been granted, the Council will be submitting concerns, particularly around the reduction in affordable housing and the need to ensure that Condition 22 (Health Service Impact Mitigation Scheme) is fully addressed.

Bus Shelter: The Clerk has contacted Lincolnshire County Council regarding the bus shelter on Main Road. The matter is now being progressed, and an update is awaited.

Community Speed Watch: The radar gun has been delivered, and the remaining equipment is expected within two weeks.

Highways: The contractor will be visiting to assess the pathway. The Clerk will request an on-site meeting with Highways regarding the possibility of having village entry gates, she will also look into grant options. Cllr Boseley will request further details about the proposed gate.

Play Area: A missing bolt has been replaced. Cllr Boseley will check whether the previous Clerk's name can be removed from the play area sign.

Cemetery: Invoicing is now set up on Scribe, the Clerk was asked to review comparison costs for discussion at the next meeting. The Clerk is awaiting a response regarding the planned tree works.

Parish Magazine: The Council discussed the ongoing review of the Parish Magazine. It was noted that puzzles, recipes and similar non-council content have now been removed so the publication can focus more closely on village news and Council updates. The Clerk will continue to summarize the minutes each month to keep residents informed in a clear and accessible way.

Councillors also agreed to explore the possibility of producing a colour version of the magazine and to review advertising charges and the number of copies printed each year. The format may move to a seasonal edition in future, and the Clerk will contact other local magazine providers.

Christmas Light Switch-On: Plans are underway for the Christmas Light Switch-On, for the 2 December at 18:30.

Future Meeting Date: It was agreed that the next meeting will take place on **Tuesday 3 November 2026**.
