These Financial Regulations were adopted by the Council at its Meeting held on Thursday 07 November 2013.

1. GENERAL

- 1.1 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of financial control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets these responsibilities.

- 1.4 At least once a year, prior to approving the annual return, the Council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.5 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and currently in force.
