**NOVEMBER 2019**

Welcome to our November magazine. I really don't have much to say this month so I will keep it short.

Have you all got your winter woollies out as I think it is going to be a rather long winter? Hedgehogs have the best idea, to hibernate under something and keep warm. Where is my duvet as I think I might join them?

Welcome to anyone who has just moved into the village, we hope you will soon settle in and be happy here. You will find out what goes on in the village inside the magazine and there are important telephone numbers on the back cover.

If you are moving on to a new location let's hope you find a pleasant neighbourhood and quickly make a new life for yourself.

On the last Thursday of each month the Parish Council Chairman and Clerk will be available at the coffee morning at St Luke's Church.

**The mobile Post Office**

in the Youth Centre Car Park  
on  
Monday's 10.45am – 11.45am

## A REMINDER!

**PLEASE ALWAYS REMEMBER TO CLEAN UP AFTER YOUR DOG**

# **ST LUKE'S CHURCH**

In November we enter a season of Remembrance. We begin with a Bereavement Memorial Service on November 3<sup>rd</sup> at 5pm in St Luke's Church. During this service we will remember all those who have died this year, and whose funerals we have been privileged to take part in. Their names will be read out and candles will be lit in their memory. If you have any additional names to be read, pop in to the Church and add them to the list you will find at the back. Alternatively, pass the names to our Church Wardens, Bev Gosling (480641) or Sandra Boone (480802)

Then we will celebrate Armistice Day (11<sup>th</sup>) which this year falls on a Monday. We will gather at the War Memorial at 10.45am for a short service of remembrance and the traditional wreath-laying. Refreshments will then be served within the Church. All are invited to attend.

By the end of the month, our thoughts will be turning towards our Advent and Christmas Celebrations. Our Christmas Bingo will be held on Saturday 23 November in the Youth Centre at 7.30pm.

Our Christmas Bazaar, and launch of the Tree Festival, will take place on Saturday 30 November. We are calling on all village organisations to support us with a decorated tree which will be left in Church throughout December. Please contact the Churchwardens if you can help.

## **STICKNEY SHOW**

Stickney Show 2019 was a great family occasion. The weather was warm and sunny, and the stall-holders were happy to sit in the sunshine when not doing business.

In the ring we were entertained with a Boxing Display, a Dog Show and the Village Triathlon, in addition to the Special Delivery production by Bird in the Hand Theatre. The American West also gave a display which was well received.

Music throughout the afternoon was provided by the Horncastle Ukulele Group – and they even got some people dancing (They soon thought better of it!)

The Craft competition was quite a small affair, but the winners were satisfied and we can build on it for next year.

**The date for next year is now**

***Sunday 19 July 2020***

**the fundraising has begun!**

The next event will be our New Year's Eve Party at the Village Hall from 7.30pm – 00.30am. This was a good event last year, so don't miss it. Tickets are available from the Village Shop or from any of the Show Committee Members.

Tickets must be purchased in advance to help with the catering.

## **Gardening Tips for November:**

Here we are in late Autumn wondering yet again where the year has gone to. Already we have had some really foul weather, leaving the gardeners with a real problem in getting the last crops in before the weather deteriorates in earnest. As I write we are waiting to see the what effect the hurricane Lorenzo is going to have upon us. So as we wait, here are some late Autumn jobs we could be thinking about tackling.

- 1} Now is a good time to plant, lift and divide rhubarb. Make sure you clear away the dead leaves which will expose the crown to frost so as to ensure a good crop of stalks for next year.
- 2} If you have beetroot growing, now is a good time to harvest them. Carrots should be left in place and covered with straw or cardboard to protect them from frost. However, a sharp frost can improve the flavour of parsnips and swedes.
- 3} Now is the time to sow green manures such as grazing rye and winter field beans. This will, when dug in later, promote good soil structure and reduce weeds.
- 4} Whole books have been written on the subject of composting, the art of providing a good supply of well-rotted organic matter with which you can improve your garden and avoid the carbon emissions associated with transporting your garden waste elsewhere. However, there are some underlying principles which can guide us as gardeners.
  - (a) If choosing plastic bin, opt for one as large as possible. If you go down the wooden plank route, then aim for one around 1 cubic metre. One with removable fronts allows for turning and removing the compost more easily.
  - (b) When choosing what to compost, aim for no more than 25 to 50% green materials. A good mixture of prunings [cut small or shredded], wood chippings, paper, straw or dead leaves, will ensure a healthy mixture.
  - (c) Try if possible, to have two compost heaps/bins - one that is being filled and one that is covered and composting down.
  - (d) Do watch out for vegetable invaders. Pieces of potatoes can grow into plants, as can tomato, melon and squash seeds seeds which can germinate in the compost and become 'weeds' once they have been spread out.

In conclusion, a quote from Sara Coleridge:

**"Dull November brings the blast,  
The leaves are swirling fast."**

Happy gardening
