ST LUKE'S CHURCH

By the time this is published, we may well be implementing 'social distancing' or 'self-isolation' because of Coronavirus. Staying away from people is one thing – staying out of touch is another. Make sure you have a host of phone numbers that you can ring regularly – and give out your number too, so that people can ring you for a chat. I am more than happy for people to ring me (01205 481183) even if it only to say hello. The response if you ring in the early hours of the morning might not be repeatable, though!

We have had some positive responses to the proposal to form a Friends of Stickney Church group. I will be organising a meeting to launch the plans, so watch this space.

At the moment our Easter services are a little bit fluid because of the Coronavirus and the need to protect the elderly.

The services in the Stickney Cluster during April are currently:

| | | |
|----------|---------|-----------------------------|
| 05 April | 9.30am | Holy Communion in Stickney |
| 12 April | 11.15am | Holy Communion in New Leake |
| 19 April | 3.00pm | Holy Communion in Stickney |
| 26 April | 11.15am | Holy Communion in Stickford |

Please check on Church noticeboards or our Facebook page for up to date changes to the rota.

FOR THOSE WITH SMART PHONES

Did you know you can have an emergency contact number in your phone that can be accessed without needing your security number, fingerprint or facial recognition to get to your contacts?

Just go to settings and search emergency contacts then add the contacts you would want contacting by the emergency services should the need arise.

The emergency services can just press 'emergency' on your screen and the numbers you choose will show on the screen without further access to your phone.

You never know, if you lose your phone some kind person may also use this to return it!

Stickney Primary School receives glowing church schools report

Governors and staff at Stickney were delighted with their recent report following their church school's inspection, as the school is recognised by parents and the wider community as an **"exemplary centre of compassionate care"**. The report states: "Since the previous inspection, the school's effectiveness as a Church of England school has continued to grow, **enabling pupils and adults to flourish**".

The Executive Headteacher, Rowena Thompson and the Governing Board wish to thank all of the staff for their hard work and their support for each other and for all of the children in their care. The report stated: "Teaching and support staff are **deeply committed** to providing the **very best for every pupil**. Consequently, they work effectively together to help those facing barriers to learning make progress."

Everyone at the school also wishes to thank the parents for their tremendous ongoing support. The report commented: **"Parents speak highly of the school** and make comments such as, 'it's easy to talk to everyone', **'walking into school is like home from home'** and 'I feel like I've gained friends'.

The work of the Leadership Team is recognised in the report as the inspector writes: The **strong Christian leadership** of the Executive Headteacher, ably supported by other school leaders, ensures that all members of the **school community know that they are valued, loved and constantly supported** as part of God's family. The inspector also comments on the highly committed and skilled leadership of the RE subject lead which inspire and direct children to succeed in this area of the curriculum. **Pupils describe their lessons as 'the best' and 'cool'**, with their teacher making RE fun and relevant".

The Executive Headteacher also wished to thank the pupils for being loving and caring towards each other especially the church councillors, the prefects and the Young Leaders for all their valuable contributions to school life. The inspector goes on to write: **"Individuality and inclusivity is celebrated** and pupils feel nurtured to grow as unique individuals, loved by all. A wide range of **extra-curricular opportunities enable pupils to flourish** in areas beyond the formal school curriculum."

The Horbling Ladies

Our April Luncheon, at Stickney Village Hall, has been cancelled due to the corona virus situation. The Horbling Ladies have taken this decision to protect their regular diners as much as they can.

If you have any questions about this decision, please do not hesitate to contact **Kay** on **01205 480769**.

Keep checking Stickney News for monthly updates about the Luncheon Club and when it will be starting to serve our dinners again!

Meanwhile, take care everyone and we hope to see you all again soon

Community Committee News

As the weather is improving, we are hoping that the resurfacing of the Car Park will soon take place, we cannot wait to see the new smart tarmac and markings!

Plans are being made to place hanging baskets and tubs at the halls to make them more attractive and welcoming. Everyone should be proud of the halls so if you have a few hours to spare in May, date to be arranged, to help with the new hanging baskets then you would be most welcome. There will be more news regarding this in the May magazine.

A date for your diary:

ANNUAL GENERAL MEETING

Wednesday 6th May

at the Youth Centre, Hall Lane

at 7.00pm

This is an open meeting where everyone, who is interested in the future of our halls, is welcome to come along.

Light refreshments will be available

Gardening Tips for April:

Vegetable growers can really look forward to getting into their stride this month. The cold dreary winter is behind us and it's time to get out in the garden and prepare for a new growing season. New growth will be in evidence everywhere. Every day is full of change and for the gardener it is both an exciting and busy time. Here then are some jobs to consider doing this month.

1} Tomatoes which have been grown from seed can now be potted into a larger container towards the end of the month. Sticks or small bamboo canes will be needed for support at this stage. They are then ready to be potted into their final growing spot or container in mid-May. Pinch out the tops of any leggy growth and ensure watering is consistent and airflow is free around the plants.

2} Keep on top of weeds as they begin to respond to the warmer weather. There's nothing worse than seeing plants which are just starting to grow being killed by fully developed weeds. Make sure weeds are pulled out, roots and all. Perennial weeds such as bindweed, couch grass and ground elder should be dealt with sooner rather than later.

3} If you are growing summer vegetables from seed remember they need to be hardened off before planting them in your garden. This can be done by introducing the plants gradually to outdoor weather and sunlight. Leave them outside on mild days for short periods of time and increase the exposure daily until plants can be left out all day and night, watching all the time for signs of stress.

4} Chit and plant out second early potatoes in the first half of the month, main crop potatoes, in the second half.

5} As the month progresses, sow seed outdoor for beetroot, carrots, Swiss chard, summer cauliflower, lettuce, leeks, radish, turnips pickling onions, peas and perpetual spinach in well prepared soil.

6} Finally plant shallots, onion sets and garlic.

In conclusion a gardening quote I read somewhere:
"Gardening forever, Housework (or D.I.Y) whenever."

Happy gardening

Neighbourhood Watch Encourages Protecting the Isolated and Vulnerable during the Covid 19 Outbreak

You will all be aware of the coronavirus (COVID-19) outbreak. Neighbourhood Watch exists to look out for communities across England and Wales and, at a time like this, we encourage you to consider ways to keep yourself, your loved ones and those in your community safe, particularly the isolated and vulnerable. We are following the advice from the government and encourage you to do the same.

8 ways you can protect yourself, your loved ones and your community:

1. If your neighbourhood has a website or social media page, consider joining it to maintain access to neighbours, information, and resources. Alternatively, share phone numbers and email addresses particularly with those who are isolated or vulnerable.
2. Consider establishing a 'buddy' system within your community to ensure everyone stays connected to COVID-19 related news, services and can receive support safely, such as essentials deliveries.
3. Plan ways to care for those who might be at greater risk for serious complications.
4. Choose a room in your home that can be used to separate sick household members from those who are healthy.
5. Learn how to self-isolate. Guidance can be found on the NHS website: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-advice/>
6. Create a list of local organisations that you and your neighbours can contact in the event that one of you need access to information, healthcare services, support, or resources.
7. Create an emergency contact list.
8. Learn about the emergency operations plan at your child's school or childcare facility, and your employer's emergency operations plan.

A green campaign card for Matt Warman MP. On the left, there is a list of contact information with icons: a house for address, a phone for number, an envelope for email, a globe for website, and a speech bubble for the campaign name. In the center is a portrait of Matt Warman, a man in a suit and tie. To the right of the portrait, the name 'MATT WARMAN MP' is written in large white letters. Below the name, the slogan 'Serving the people of Boston and Skegness' is written in a white cursive font. In the background on the right, there is a faint crest or coat of arms.

NOTES OF THE PARISH COUNCIL MEETING HELD ON 05 MARCH

There were no members of the public present.

Apologies: Apologies were received from County Cllr Bowkett

Present: Cllrs Pritchard, Pavely, Edwards, Cockburn, Cooper, Lawrence and Bolland (Chairman)

Also Present: Dist Cllr Ashton

Reports from Representatives on Outside Bodies

Dist Cllr Ashton reported:

The Council Tax increase for the District Council is £4.95, same as the past five years. Due to the austerity in the past years the District Council can now look at new projects as well as continuing the work already carried out, but it still must be cautious about spending. 60% of the Council tax is paid out to the Drainage Boards who also need to update equipment etc. ELDC waste collection rounds will be changing routes from 06 April, if you don't receive a letter then your route will remain the same. The recycling of dry paper and card is being considered for the whole county due to successful trials in neighbouring districts.

County Cllr Bowkett reported by email:

LCC have increased their section of the Council Tax by 3.5% with 2% of this being specifically for adult social care. Pubs are being encouraged to make rooms available as accommodation for visitors to their areas as part of the Greater Lincolnshire Local Enterprise Partnership project. Details of tax-free child-care can be found on the gov.uk website, search child care choices.
