MARCH 2020

Welcome to the latest magazine, I am writing this between storm Ciara and storm Dennis. Hopefully that will be the last one for this year, but I won't hold my breath!

I was pleased to discover that the Bowls Club received some money from the Triton Knoll fund. The last round of applications need to be with Triton Knoll by 01 May 2020, so hopefully anyone else who applies will be lucky.

It would seem that some of the teenagers in the village find it very amusing to graffiti and splash paint around the play area. This will have to be removed when, or should I say if, there is better weather.

Welcome to anyone who has just arrived in the village we hope you will soon settle in and feel at home. In the magazine you will find what is going on in the village hall and at the church, on the back cover you will find some of the important phone numbers that you may need.

If you're leaving the village we wish you all the best for your new adventure.

On the last Thursday of each month the Parish Council Chairman and Clerk will be available at the coffee morning at St Luke's Church.

The mobile Post Office
will visit Stickney
in the Youth Centre Car Park
on
Monday's 10.45am – 11.45am
and
Tuesday's 10.15am – 11.15am

A REMINDER!

PLEASE ALWAYS CLEAN UP AFTER YOUR DOG

ST LUKE'S CHURCH

I'm told I got it wrong last month – and I am always happy to apologise when that happens, so, if you are planning to come to the Jumble Sale in Church on Saturday 29 February, and you get this newsletter in time, please note that the doors open at 11.00am, and not 12 noon!

The main item on our agenda this month is the Annual Parochial Church Meeting which will take place on Thursday 05 March at 7.00pm in Church. All are invited to come and hear what the Church has been doing over the past year, and the plans for the future.

One of the items we will be discussing at the Annual Meeting is whether or not there is sufficient interest in the village to set up a 'Friends of Stickney Church' group. If you are interested, but are not able to come to the meeting, please let Rev. Fran know by phone (488481) or email (revfjeffries@outlook.com). This idea has come out of some recent incidents in Church for which the following plea has been issued:

A Plea from St. Luke's P.C.C.

As most people are aware the Church is open every day to enable those, who wish to do so, to visit for private prayer, quiet time away from the pressures of daily life or just to look for a book, C.D. or jig saw puzzle.

Unfortunately, over recent weeks, we have suffered from acts or minor vandalism which have caused considerable distress. As we are few in number, we have enough to do to keep the building clean and tidy without having to clear up the mess after "a bit of fun". A broken angel and shattered sheep may be just bits of worthless pottery, but they symbolise something far above the value of money - our guardian angels watching over us and Jesus the Lamb of God.

We want to keep the Church open for everyone and so we appeal to those involved to stop causing damage so that it can continue to be a haven of peace and comfort for those who feel the need.

We would also be pleased to welcome everyone to our Sunday Services or Thursday Coffee Morning.

Thank you

WILLIAM LOVELL CHURCH OF ENGLAND ACADEMY

proudly present Lionel Bart's

OLIVER!

On the back of our spectacular 2019 production of Grease, students and staff are back treading the boards preparing for our next production - Lionel Bart's timeless classic **OLIVER!** (with kind permission from MTIShows).

It's the story of a poor little orphan boy who escapes the workhouse and finds his way to London. In the process he meets the iconic Artful Dodger, the sly but kindly rogue Fagin and the purely evil Bill Sykes. Oliver's adventures are accompanied by Bart's upbeat score, which has become a familiar soundtrack around the Academy.

Each Tuesday and Thursday we are rehearsing in earnest to ensure that our 2 performances on March 19th and 20th are a resounding success. The continued talent and enthusiasm of the students is amazing, they have been working on their lines and song lyrics to recreate some of the most iconic scenes we all know and love.

So - if you "Consider Yourself" a fan of Musicals then head over to William Lovell on Thursday 19th and Friday 20th March 2020 to catch Oliver!

Performances will start at 7.00pm (doors open 6.30pm) with tickets priced at £6.00 & £4.50 (concessions).

Tickets available from the Academy (tel: 01205 480352) or online at www.ticketsource.co.uk/wlcea.

You may have to 'Pick a pocket or two' to get here, but you will be guaranteed a "Fine Life".

Stickney Show – 19 July 2020

A big **thank you** to everyone who supported our Anything Auction, I can't say how much was raised for show funds as this was not available at the time of writing, but every little bit helps.

The next funding event is a Prize Bingo evening on Saturday 21 March in the Village Hall. The doors open at 6.30pm with eyes down at 7.30pm. There will be refreshments and plenty of prizes, so do come along and play the game with your friends.

Booking Forms for the show are now available. Exhibitors last year will have received by email, but copies are available at the Village Shop, don't be shy. It really is a case of 'The more the merrier'.

We remain a very small committee and, if the show is to be a success, we need some people willing to help on the day. If you are willing to get involved, please contact Rev. Fran (revfjeffries@outlook.com).

Kiddies Corner

Ingredients

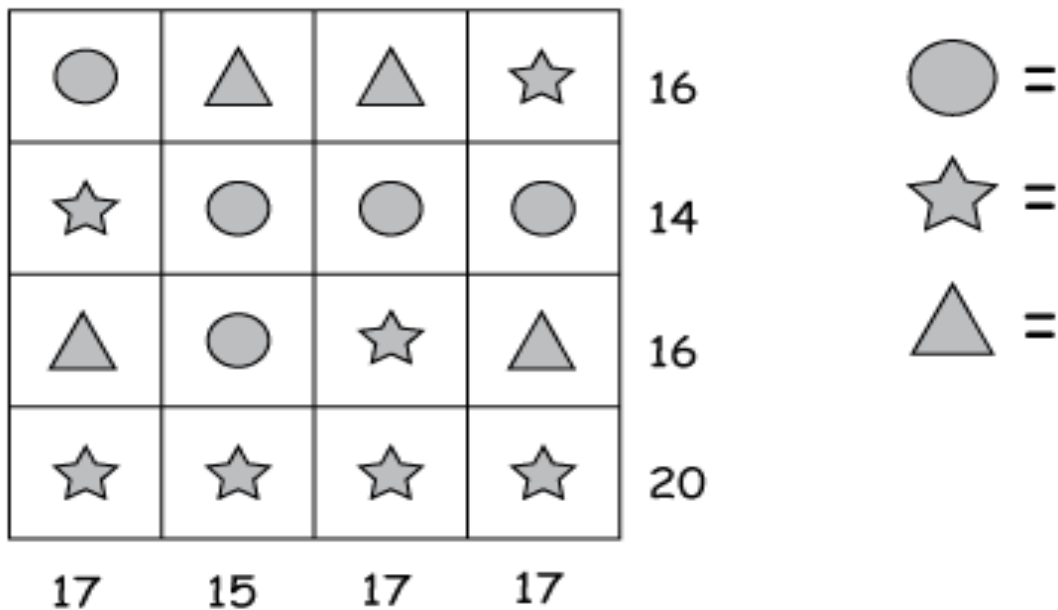

- 125 g wholemeal flour
- 100 g plain flour
- 1 tbs unrefined sugar
- 1 tbs baking powder
- pinch salt
- 30 g dairy free spread (I used Pure sunflower spread)
- 2 large eggs
- 300 ml soya milk
- 200 g blueberries and/or raspberries

Instructions

1. Preheat oven to 180°C (Gas mark 4/350°F). Line a muffin tin with paper cupcake cases.
2. Add the flours, sugar, baking powder, salt and dairy free spread or butter to a food processor or blender and whizz to combine. Add the eggs and whizz again. Add gradually the soya milk and whizz until smooth and lump free. (You could also whisk by hand - gently whisk the eggs and melt the spread/butter first before adding to the mixture).
3. Transfer the pancake mixture to a jug for easy pouring, then pour into the cupcake cases, filling each to about two thirds full. Top each muffin with some berries of your choice, pushing them down slightly into the mixture.
4. Bake for approx. 15 minutes until risen and golden. To check if they are done, pop a cocktail stick into the middle of one of the muffins and check it comes out clean (if not, they may need a couple more minutes in the oven).
5. Serve up with a little maple syrup or honey to dip them in and maybe some fresh fruit and natural yogurt on the side

Stickney Parish Council would like to express it's sincere apologies to P & R Equestrian, of Friskney, following the misuse of photos from their Facebook page.

The photos were used in an advert in the Stickney News, November and December/January issues, for another riding school in Friskney.

The apologies extend to all the people in the photos used in the advert, should this have caused any upset to them. This was a genuine mistake with no malice intended to either of the riding schools involved.

To prevent any such situation arising in the future the Parish Council will put an advertising policy in place.

This is an open meeting where everyone, who is interested in the future of our halls, is welcome to come along.

Gardening Tips for March:

March is the month when things really start to move in the growing season and any jobs done now will pay huge dividends in terms of time saved later in the season. Spring should, by rights, arrive by mid-March and the (hopefully!) frequent sunny days provide the opportunity for an increasing range of gardening tasks. Here then, are some jobs to be getting on with as we await the arrival of warmer days and nights.

1} First things first, fertilise your beds once the soil is workable by digging a good two inches of compost or well-rotted manure into the soil to prepare for the growing season ahead. General purpose fertiliser such as pelleted chicken manure, or fish blood and bone, can also be used.

2} If you haven't already done so it's not too late to cover prepared soil with sheets of black plastic to keep it drier and warmer in preparation for planting.

3} If you have asparagus beds you should weed and mulch them now. Weed by hand, if necessary, to avoid damaging the shallow roots of the plants.

4} Mid-March is a good time to plant out those chitted early potatoes. They can then be harvested before blight hits.

5} Broad beans are hardy plants which can be sown in early March. By getting them in early you can ensure that the beans have had a good start before they could develop the disease 'chocolate spot' later in the season.

6} If you have decided to plant onion and shallot sets instead of seeds, then mid-March is not too early to do so. A good tip, favoured by some gardeners, is to leave the sowing until later in the month or even April. The thinking is that onions can be prone to bolting when a cold spring follows a warm winter. You will have noticed we've already had a warm winter so.....

7} If you are taking a chance and sowing early seeds e.g. broad beans, carrots, parsnips, beetroot, onions, lettuces, radishes, peas and spinach then it is best done into well cultivated and prepared seedbeds which have been covered with clear polythene or fleece to warm up prior to sowing. These early sowings should be then covered with cloches, fleece or polythene.

8} It is never too early to prepare runner bean supports and trenches for sowing (in May) or planting out (in June).

In conclusion, a question posed by a philosophical gardener:

" If a plant is sad, do other plants photosympathize with it?"

Happy gardening

Information from the Environment Agency:

We want to encourage you to sign up to the Environment Agency's Flood Warning Service so we can let you know the latest information in your area that could affect your property. Call **0345 988 1188** to do this, or do it online at **www.gov.uk/flood**.

We will continue to operate the flood storage reservoirs around Lincolnshire where necessary and are discharging main rivers out to sea to bring down river levels. Our flood storage reservoirs have already protected over 8000 properties from flooding.

We are working with our partners, such as the Internal Drainage Boards and NFU, to manage the impact to agricultural land and livestock farms. Our teams are also on the ground assessing urgent repairs to damaged or over-topping defences across the county as well as understanding the longer-term options for recovery from the flooding.

Check your flood risk, stay up to date with the latest flood alerts and warnings and sign up to receive free flood warnings. Stay tuned to local news for updates and follow us on Twitter: **@EnvAgencyMids**

We ask that people avoid walking along flood banks, using low lying footpaths near local watercourses and plan driving routes to avoid low lying roads near rivers, which may be flooded. Don't drive through flood water, just 30cm is enough to move your car and risk your safety.

Flood water can contain sewage and other harmful substances. Where possible avoid contact with, and keep pets away from, flood water. Always wear waterproof clothing, gloves, wellington boots and a face mask if contact is unavoidable.

WITHAM FOURTH DISTRICT IDB

It's fair to say 2019 was a challenging year for the Board. We had two significant rainfall events in June and October/November. From January to November 2019 we took 786mm of rain (31 inches) across the District, compared to around 570mm (22 inches) in a "normal" year. During the River Steeping Breach in June 2019, the Board worked with the Environment Agency, and other bodies, to take 1 million tonnes of water from the River Steeping into our system (see picture) to avoid more flooding in Wainfleet. The cost of pumping this extra water was paid for by Government.

From January to November 2019 we pumped a total of 17,710 hours in our manned and unmanned pumping stations compared to a "normal" year of just 12,000 hours.

One of the unfortunate affects of heavy rainfall and saturated ground is drain bank slips. We have had nearly 40 slips across the District since last June totalling over 240 metres in length. We understand how frustrating it is for local residents when slip repairs are taking place and roads need to be closed, but I am pleased that the large slip on the Fodderdyke Drain Bank should be completed by Friday 24 January 2020.

Finally, the **Heritage Open Day** at Lade bank will take place on **19 September 2020**, from 10.00am until 4.00pm and, water levels permitting, we will run one of the Ruston & Hornsby diesel pumps at 1.00pm. This year, we are planning to unveil a completely new display for the visitors to see.

Our website contains lots of useful information and contact numbers should local residents want to learn more about the Board and the work that we do

News from Lincolnshire County Council

Extra Funding for Highways: The council is set to invest additional money in highways maintenance and flooding, with £14m of efficiency savings allowing it to still deliver a balanced budget. The council's executive members have today approved budget proposals for 2020/21, which will now go out to consultation. Final proposals will be put before full council in February.

Fire & Rescue:

Lincolnshire Fire and Rescue is compiling its community plan - also known as the Integrated Risk Management Plan (IRMP) - which looks at the main risks to lives, properties, infrastructure and the environment in Lincolnshire. The report is now available with a brief online survey for people to give their feedback.

Young Carers:

Young Carers Awareness Day highlights that as many as one in five secondary school children may be a young carer. The average number of school days missed or cut short as a result of a young carer's role is 48, but schools are responding with effective support.

Mental Wellbeing:

A new film to encourage football fans to talk about their mental wellbeing has been launched by Every Mind Matters and the Heads Up campaign, making a partnership between Heads Together and The FA. The powerful one-minute video is narrated by HRH The Duke of Cambridge and features high-profile figures including Frank Lampard, Harry Maguire and Son Heung-Min.

Archaeologists reveal Lincolnshire's past:

Archaeologists have been amazed by the finds uncovered during the construction of the Lincoln Eastern Bypass. Discoveries unearthed during the building of the new five-mile route have revealed evidence of 400,000 years of human history. In all, almost 270,000 artefacts have been found, representing every archaeological period from the Paleolithic era to the present day.

Explore Lincolnshire's aviation history:

"A Century of Valour," an exhibition hosted at The Collection museum, Lincoln, until 15 March, is a unique opportunity to see the Victoria Cross awarded to Wing Commander Guy Gibson of 'Dambuster' fame. The event by Aviation Heritage Lincolnshire, displays rare artefacts exploring Lincolnshire's aviation gallantry over the past 100 years.

LCC new website goes live:

Our new interactive website has launched at www.lincolnshire.gov.uk.

Residents should now find it easier to make requests, fill in applications or pay for services. It has been designed for use on mobile phones and tablets. It will also form the platform for a host of digital services to be developed over the coming years and new improvements are being trialled all the across county.

NOTES OF THE PARISH COUNCIL MEETING HELD ON 06 FEBRUARY

There were no members of the public present.

Apologies: There were no apologies

Present: Cllrs Sherriff, Pritchard, Pavely, Edwards, Cockburn, Cooper, Lawrence and Bolland (Chairman)

Also Present: Dist Cllr Jones and County Cllr Bowkett

Reports from Representatives on Outside Bodies

Dist Cllr Jones reported:

The Council Tax increase for the District Council is 4% and is mainly due to the amount required by the Drainage Boards who have increased their precepts by 3%. Half of the Council Tax paid goes to the Drainage Boards who will be looking into replacing the diesel engines at some point in the future.

County Cllr Bowkett reported by email:

LCC have increased their section of the Council Tax by 2.75%. The 30mph speed limit will be extended at the north of the A16 to include the entrance to the picnic area. LCC will re-assess the 30mph speed limit on the south of the A16 through Stickney. LCC should be consulting with the Parish council with regard to having a puffin crossing on the A16, this will be chased up. The footways at the Hall Lane, Holmes Road and Horbling Lane will be reported for slurry sealing. Potholes at Holmes Road/Hall Lane junctions were reported and one in the centre of Midville Lane.

Planning Applications Received

The Parish Council looked at, by email, and **SUPPORTED:**

S/169/02176/19 - Mr S Jovkovich - Extension and alterations to existing dwelling to provide a sitting/dining room/kitchen to include the erection of a domestic garage at Field View, Main Road

Planning Decisions from ELDC

FULL planning permission has been received for:

S/169/02176/19 - Mr S Jovkovich - Extension and alterations to existing dwelling to provide a sitting/dining room/kitchen to include the erection of a domestic garage at Field View, Main Road

Play Area

The inspection report was outlined, there are no issues to be dealt with at this time. The Chairman reported that there is now white paint on the equipment in the play area.

Highways

Highway faults and repairs should now be reported at:

www.lincolnshire.gov.uk/faultreporting

or via the

fixmystreet app on your mobile phone

If you try to report any repairs on fixmystreet, and it has already been reported – please report it again. It seems that the more reports sent regarding one issue will get it resolved sooner.

Sale of the Hand-Held Speed Equipment

The equipment has been sold for £250.00 to Leadenham Parish Council.

The next Parish Council meeting will be held at 7.30pm on 05 March 2020 in the Bungalow at the Old Rectory, there will be a Public Forum from 7.15pm
